## OsteoRx

**Osteoporosis is an epidemic! Calcium alone is not the answer to its prevention.**

An effective osteoporosis formula includes the proven co-factors in maintaining bone mineral density and bone mass. Silica and boron are absolutely essential, along with calcium, magnesium and vitamin D to insure healthy bones over one's lifetime. OsteoRx is scientifically designed to provide the most effective bone health formula available.

## SONA & SONARx

**Is your multi vitamin supplying "Optimal" levels of nutrients?**

The SONA (Suggested Optimal Nutrient Allowance) is the only multiple vitamin/mineral/enzyme formula on the market that is actually based on the results of a 15 year, \$2 million study of 13,500 men and women (the SONA study), and represents the first nutritional guidelines designed to maintain good health over one's lifetime.

## GreensRx

**Greens Rx is a scientific blend of 16 of nature's most potent super foods.**

Kamut®, Alfalfa and Barley are planted on a 2800 acre organic farm in SE Utah on an ancient volcanic lakebed. The young sprouts are harvested, rinsed, juiced and dried 'on-site' at below 88° F retaining the 'live' properties of the plant. Taste and feel the difference quality makes!
